ONE CHOICE WON  
ON GETAWAY DAYGraziallo Landed Second  
Benning Handicap.

## VICTOR A HORSE OF QUALITY

Best Track, Best Horses, and Best  
Crowd of Season Marked  
Last Day.

Samuel Ross' good three-year-old Graziallo, a bay son of Rappallo-Graziosa, won the star feature of the Washington spring meeting at Benning yesterday afternoon.

The race was the second division of the Benning Spring Handicap, the first of which was captured by Mr. Schulz's filly, Shrine. Graziallo was not a starter in the opening day's handicap, and Shrine failed to answer the call in yesterday's race. In place of Shrine, Mr. Schulz sent his six-year-old Honolulu.

There were only seven starters in the race, but the field was one of good quality, the best horses of the track being among the number. W. P. Burch started his crack sprinter Castellan for the first time, and reports of his good work, together with his well-known sprinting abilities, caused him to be made the favorite in the race. He opened at 2 to 1 and was backed down a point. Graziallo opened at 4 and went back to 5. Stroller, Honolulu, and Briarthorpe were the others fancied.

## Graziallo Easily Best.

When it came to racing Graziallo was easily the best, though Wonderly had to shake the colt up in the last furlong. Castellan and Graziallo set a fast pace to the big turn, and then Castellan faltered. Graziallo, running true and strong, stuck gamely to his work, and repaid nobly to the urging, came away and won by three lengths.

The gallant little Briarthorpe, who has shown on more than one occasion that he is a greatly improved race horse this year, came strong through the stretch and beat Daly's Himself a neck for the place, while Stroller was fourth, only a head behind Castellan. The owner of Graziallo, a good one for five furlongs, but his performance indicated that the colt was not up to a bruising contest.

Castellan evidently possesses all the speed that carried him to the front in a number of good races last year, and if he trains on it will take a mighty good sprinter to beat him this year. Graziallo's victory was so impressive that he must now be regarded as a three-year-old of some quality. He was conceding weight to all the horses in the race, under the scale, and he showed every quality of a good, game thoroughbred, if he continues to improve as he has since his first effort at Benning this spring. Mr. Ross will hold a strong hand in some of the early three-year-old stakes of the season. The owner of Graziallo was delighted at his colt's victory, and was the recipient of many hearty congratulations.

## Splendid Card.

The card for the closing day was by far the best of the meeting, and the attendance equaled, if it did not surpass in numbers, any gathering this spring. A good track and the excellent card offered, with the resulting fine sport, made the day the most interesting of the season, although the public might have been better satisfied had a greater percentage of favorites been able to win. As it was, the first choice was a getaway day, one going home in front. The steeplechase provided the greatest surprise. There were seven starters, and Charles O'Malley, an outsider in the betting, took the lead and won. The favorite, Simon Kenton, and the second choice, Dalliance, had come crumpled.

## The Summaries.

First race—Seven furlongs. Princelet, 10 (Cormack), 4 to 1, won; John F. Ahearn, 10 (Burch), 5 to 1, second; Love Note, 10 (Salling), 4 to 1, third. Time, 1:29.

Second race—Five furlongs. Wild Irishman, 10 (Thompson), 7 to 1, won; Mithras, 9 (Henderson), 10 to 1, second; The Claimant, 10 (Burns), 7 to 1, third. Time, 1:24.

Third race—Benning Spring Handicap; seven furlongs. Graziallo, 11 (Wonderly), 4 to 1, won; Briarthorpe, 10 (O'Brien), 5 to 1, second; Hill, 11 (McCue), 20 to 1, third. Time, 1:28 1/4.

Fourth race—Steeplechase; about two miles. Charles O'Malley, 18 (Helder), 12 to 1, won; Ed Hawk, 15 (L. Evans), 5 to 1, third. Time, 4:12 1/2.

Fifth race—Seven furlongs. Cantalupo, 8 (Cormack), 2 to 1, won; Tide, 9 (D. O'Connor), 4 to 1, second; June, 14 (T. Dean), 15 to 1, third. Time, 1:31 1/2.

Sixth race—One mile and seventy yards. Setauke, 10 (Shaw), 11 to 1, won; James F., 18 (Cormack), 8 to 1, second; Trappist, 19 (Burns), 9 to 1, third. Time, 1:45 1/2.

Favorites Captured  
Majority of PursesFirst Choices Landed 60 Out of 115 Races,  
the Best Average on Eastern Tracks for  
Years—Griffin Heads Winners.

At the Benning meeting, which ended yesterday, 115 races were run, and of this number 60 were captured by the favorites.

This is probably the best average made on any of the Eastern tracks for several years. Forty per cent of winning favorites is regarded as an unusually large number, but at Benning more than 50 per cent of the favorites were successful.

This was due in a measure to the new Columbia Course, which is without doubt one of the best stretches of racing ground in the East. It has done more to make the Benning meetings popular with horsemen and public than any improvement that could have been made.

## Meeting Highly Successful.

The meeting has been an exceedingly successful one, the attendance showing an increase nearly every day. As a rule the weather has been pleasant, and the sport, though lacking a great deal in quality, has been interesting and satisfactory. There were only two disqualifications at the meeting, which speaks well for the manner in which the racing was conducted.

## Columbia Stable Second.

Graziallo's victory in the handicap yesterday places the Columbia Stable second on the list of winning owners, with a total of \$3,845 to its credit. H. T. Griffin heads the list with \$3,855.

Three hundred horses contested in the 115 races, as against 279 in the fifteen days of the 1933 meeting. The list of winning owners, with the amounts won, follows:

John E. Madden also furnished a bit of surprise, when his two-year-old Wild Irishman captured the knobby race. The Claimant was a strong choice in the race, but he had been content with third place. Wild Irishman won comfortably, while The Claimant was beaten by Mithras, a colt from the stable of T. Hitchcock, Jr.

## Gossip of Stable and Paddock

Washington horse lovers are greatly interested in the outcome of the Carter Handicap at Aqueduct this afternoon.

It is the general hope and expectation of persons who saw the several candidates for the race that started at Benning that either Peter Paul or Spring will win the race.

Peter Paul made many friends by the manner in which he captured the only stakes in which he started, and the Bradley three-year-old will carry most of the money that is bet by Washingtonians.

Spring also has many friends who believe that with only 87 pounds to carry he will be a hard horse to catch, once he gets away with an even start.

Masterman, Tribes Hill, Ascension, Conkling, Tomcod, and Illyria are the other horses entered in the Carter that Masterman will win.

Peter Paul and Spring, however, are the fancied ones among local horsemen, but Masterman will also have friends.

## Information for Fishermen

The water is clear at Great Falls and Harper Ferry.

Perch fishing is good in the Potomac. Near the Three Sisters and Chain Bridge the sport is best.

Be Given.

## SHOULD ORGANIZE AT ONCE

Ball Playing to Be Permitted on Ellipse  
South of White House—Form  
Boys' League.

Ball playing is to be permitted on the ellipse south of the White House, under regulations made public today by Brig. Gen. Alexander Mackenzie, Chief of Engineers.

Three diamonds have been laid out so which playing will be confined. Only organizations having permits from Colonel Symons will be allowed on the grounds. Playing will be permitted from noon until half an hour after sunset daily, in favorable weather only.

No Sunday games will be permitted. All clubs are to furnish their own bases. Crowds will not be tolerated on the grounds when games are not in progress.

## Suggestion Appreciated.

This gives the amateurs another chance, for which they are duly grateful. It was announced yesterday that six good diamonds will give ample opportunity for the carrying out of regular schedules without overcrowding or classes and arrange schedules. If the boys get together and go about the thing systematically there will be offers of pennants and other inducements to win the championships that will be a strong incentive to good playing and good behavior on the public grounds.

Now that the new fields are to be thrown open, the arguments for the formation of the leagues are doubled. ## ALEXANDRIA NEWS NOTES

ALEXANDRIA, Va., April 16.—The case of Richard Burnett and Henry Wrenn, charged with having in their possession goods alleged to have been stolen, attracted quite a crowd to the police court this morning, where the case was brought up for a preliminary trial before Police Justice Caton.

Several days ago information was received by the police that cars at the railway yards in this city had been entered and robbed of a large quantity of shoes, toilet articles, etc. Suspicion pointed to a negro named Brown, and a search was made for him. While engaged in the search for Brown, Policemen Lyles and Arrington went to the second-hand store kept by Wrenn, near the Stone Bridge, and were told by Wrenn that he had bought some goods from Brown. These goods Wrenn promised to bring down to the police station that night.

Later on Wrenn and Burnett were arrested, charged with receiving stolen goods. They were released at a term of the police court, but were arrested later and brought for trial this morning. The witnesses in the case were Policemen Lyles, Arrington, Smith, Allen, Leontant Smith, and Messrs. Preston and Joyce. The evidence was voluminous, and the examination lasted all the morning.

Burnett and Wrenn were sent on to the grand jury. Commonwealth Attorney Brent prosecuted the case, and State Senator Lewis H. Machen appeared for the defense.

BUREAUS ROOTED  
RIGHT MANFULLYWent to Opening Game in Automobile  
and Had for Slogan, "Never  
Say Die!"

## One of the features of the opening day

of the baseball season at the Seventh Street Grounds was the double-decker automobile, in which were thirty-six hot enthusiasts from the Bureau of Engraving and Printing.

The Bureau contingent was demonstrative in its rooting and put life in the game from the time it arrived until the last man was out. "Never say die!" was the slogan of the Bureaus, and they cheered as lustily when the Athletics were piling up runs as if the Senators were winning by a score of 1 to 9 in a twelve-inning contest.

When their voices gave out the dyed-in-the-wool sports from the Bureau gave expression to their sentiments with horns, rattles, and other noise-making devices. On their way back from the grounds they stopped at the restaurant of William Dietz, on Pennsylvania Avenue, near Twelfth Street, and had lunch and refreshments. Those in the party were:

J. Murphy, Frank Smith, C. Drucken Miller, A. Hess, Charles Lord, Jack Hardy, Joe Hardy, Lew Graves, J. Blumer, W. McCauley, T. Springmeyer, R. Rosenbaum, T. Harvey, George Land, George Cook, T. McCabe, Tom Laverder, Tom Roland, W. Malloy, the "Bugler," Jack Orsada, Joe Johnson, William Morrison, William Hutton, Fred Wagner, "Buddy" Cropley, Sam Henden, Lew Carroll, Harry Walsh, "Happy" Von der Lehr, "Chicot" Lopez Quesada, Al Young, Frank Schaffer, Ed Geneoa, Max Kelso, and Barney Gillen.

A final decree was entered in the case of Lucy C. Stuart vs. Albert Stuart; a suit for distribution.

The case of Hattie E. King vs. Walter Scott was argued and submitted.

FAIRS AND BAZAAR.

The Girls' Friendly Society of Christ Church will hold a fair next Friday afternoon from 4 to 9 o'clock at Christ Church parish hall.

The fair of the Daughters of America at Odd Fellows Hall, which has been in progress since Monday night, is attracting large crowds.

The bazaar being held by the ladies of St. Mary's Church at Lyceum Hall continues to be an attraction for a number of Alexandrians.

## KNIGHTS OF COLUMBUS.

A large number of Knights of Columbus from all parts of the country yesterday visited Alexandria and were shown the places of interest here. The trustees of Christ Church, through Henry F. Robertson, threw open the gates of Christ Church to the knights, and Robert W. Arnold, worshipful master of Alexandria-Washington Lodge of Masons, tendered to them the privilege of inspecting the lodge room of Alexandria-Washington Lodge of A. F. and A. Masons.

Washington and Philadelphia will again meet at the Seventh Street grounds this afternoon. Case Patten of Al Orib will be on the slab for the Senators, and Kittredge will do the receiving. The inimitable Rube Waddell will serve them up for the Athletics.

Rube has been behaving himself recently and keeping quiet. It is soon time for him to do something out of the ordinary, and the fans will no doubt flock to the park this afternoon with that expectation.

Center Market Armory.

The Hearst Rifles and the National Rifles Cadets basketball teams, being tied for a place in the National Guard League, have decided to play the tie-off in the gymnasium at Center Market Armory tonight at 8:30 o'clock.

The game promises to be an interesting one, as the last three teams met it required five minutes' extra play to decide the winner.

BOILS  
PYRAMIDS OF PAIN

Boils show the blood is in a riotous, feverish condition, or that it has grown too weak and sluggish to throw off the bodily impurities, which then concentrate at some spot, and a carbuncle or boil is the result. To one already enfeebled by disease, boils seem to come with more frequency, causing the intensest pain and greatest danger to the already weak and debilitated sufferer. All skin eruptions, from the sometimes fatal carbuncle to the spiteful little cat-boil, are caused by bad blood, and the only way to avoid or get permanently rid of them is to purify and build up the deteriorated, polluted blood, and counteract the humors and poisons; and nothing will do this so quickly and thoroughly as S. S. S., which is the acknowledged king of blood purifiers and greatest of all tonics. Where the blood has become impoverished and is poor and thin, no medicine acts so promptly in building up and restoring its richness, purity and strength. The time to cure a boil is before it develops, when it is in a state of incubation or formation in the blood; for boils are, after all, only the impurities and poisons bubbling up through the skin, and this will continue in spite of poulticing and lancing till the blood gets rid of its accumulated poison. The way to stop boils is to attack them in the blood, and this is what S. S. S. does. All danger of boils is past when the blood has been thoroughly purified and the system cleansed of all morbid, impure matter. If you are subject to boils, then the same cause that produced them last season will do so this, and the sooner you begin to put your blood and system in good order the better the chance of going through the spring and summer season without boils or other painful and irritating skin eruptions. S. S. S. is guaranteed purely vegetable, and can be taken with perfect safety by old and young, and without harm to the most delicate constitution. It is mild and pleasant in its action, and unequalled as a cure for boils and kindred eruptions. Write us if you would like medical advice.

Allegheny, Pa., June 11, 1903.

From the age of twenty or thirty I was sorely afflicted with large, awful boils on my face and body. As soon as they would heal up in one place they would break out in another part of the body, and this continued for ten years. I tried everything I could hear of to get relief, but nothing did me any good. I had but little faith in S. S. S. doing me good when I began it, but after taking it for a short while the boils began to disappear. I continued on with the medicine, taking six bottles, and all the boils entirely disappeared. Five years have elapsed since that time, and I have never been bothered since, showing that the cure was permanent. I had some thirty or forty of the most painful boils one ever had, and to be entirely rid of them by your great purifier, S. S. S., puts me under a debt of gratitude to you.

HENRY ZINN.
